Dear Ms. Bullwinkle:

Thank you for helping us. Your generous donation of prizes for our 14th Annual Dinner Dance helps to ensure that children with autism and their families are receiving the help they so desperately need. Without your generosity we would not be able to address the difference between the costs of the comprehensive, individualized treatment the children require and the funding we receive from the state government and the local school districts.

With your help, we have been able to change the lives of our students and their families, and have been able to reach out to others, too. Our school is nationally recognized for our ability to provide effective education and support for those who need it most; children and families with autism. I thank you again for making this possible.

Sincerely,

Nicole Weidenbaum, M.S.Ed.
Executive Director
